

Features & Benefits

▶ Floating Toolbar

Available on the screen at all times and over any source you choose.

▶ New Interface

New, dynamic, clean, powerful and easy to use Genee interface; 55" 65", 75", 86" 4K panels.

▶ Multi-Touch

The new screen now has an increased 20 point IR touch.

▶ Appearance

Thinner bezel with a far sleeker appearance whilst still maintaining the functionality of the front facing speakers.

▶ Wireless Display Mirroring

Display any Windows, Android & Apple Device directly to G-Touch 4K+. Students can easily share their work to the classroom with a click of a button!

▶ New Ports and Accessibility

Public USB – On screen USB ports work for the active source, no matter what it is.

HDMI CEC – Compatible devices to control screen functions like power and volume. E.g. a soundbar.
4K video output

▶ Software

The new screen will be provided with Spark II, Genee App store, a free trial for Project Flow. office suite, file explorer and email client included.

▶ Genee Control

Manage and control all of your G-Touch screen through a single, cloud-based platform, enabling complex operations and tasks to be completed in a refreshingly simple manner.

▶ Genee Pawtals

Pre-installed with all 4K PLUS screens. Android multi-touch web browser, multiple users can open and use web browsers at the time.
